Decolonizing the Hindu Mind by Rajiv Malhotra

Rajiv Malhotra is an Indian–American intellectual with an interest on fostering a better understanding of the dharma religious traditions of India (most notably Hinduism and Buddhism) in the US and India. More information can be found at: www.RajivMalhotra.com

These workshops are designed for people who realize that Hinduism is being undermined in mainstream intellectual channels (media, academia, etc.) and for those who want to prepare themselves to represent Dharma with confidence and pride. Each day will consist of four sessions conducted by Rajiv Malhotra followed by extensive Q&A. You are invited to register for one or both workshops.
