### Is Critical Race Theory breaking America? | Rajiv Malhotra & Peter Boghossian

Peter Boghossian and Rajiv Malhotra discuss how Literary Theory is hindering critical thinking in Liberal Arts education in America. For decades, a cartel of academic ideologues have produced pseudo-intellectual theories which have been exported from the U.S. to India where it has infiltrated politics and media. Will Breaking India Forces be replicated in the USA as Breaking America Forces? [Video](#).

### Artificial Intelligence Hijacking Your Spirituality | Swami Sarvapriyananda

Swami Sarvapriyananda presents Rajiv Malhotra's book Artificial Intelligence and the Future of Power at a major conference sponsored by the United Nations on

technology and spirituality with various faith leaders. He discusses with respect to the ethics of artificial intelligence, four reasons for concern. He explains the negative implications of AI for the training of attention (which is necessary for any kind of meditation), the loss of sensitivity to one's surroundings that modern technology brings (thus reducing the scope for compassion or any altruistic activity), the scuttling of the senses by these technologies to keep them perpetually engaged in sensual gratification thus making people incapable of devotional activity, and the redefinition of the self as a sum-of-the-parts materiality (opposite to the Vedantic perception of a higher self beyond the body and mind).
