7. The Pros and Cons of Jati/Caste	116
Checks and Balances Against Totalitarianism	116
Division of Labor and Transmission of Expertise	118
Decentralized Lobbying	120
Ecological Role	121
Economic Security	122
Jatis and Introvertedness: The Problem	122
The Collapse of the Caste System	124
8. Conclusion	126
Myth 1: Hinduism is inseparable from caste	128
Myth 2: Caste is responsible for India’s backwardness, and this needs foreign intervention	128

Myth 3: The caste system is designed to exploit Dalits	129
Myth 4: The caste system is violent and causes fissures in society	129
Myth 5: Only upper caste individuals can amass power and wealth	130
Myth 6: Western approaches to diversity and sustainability are superior to Vedic approaches	131
